Bausch + Lomb is committed to providing savings and reimbursement support

Personalized patient assistance is available through the **FOCUS ON ACCESS™ (FOA) Program**, which offers reimbursement counseling for XIPERE®.

Complete a Patient Information & Enrollment Form and FOA counselors will see if treatment is covered by the patient's insurance. FOA counselors can also assist with information concerning the prior authorization process, claim denials, and the appeals process.

FOCUS ON ACCESS™ offers:

- Personal FOA Case Coordinator who can share information about insurance coverage
- Rapid benefits investigation and verification
- Prior authorization and process support
- Prior authorization appeals and claims information
- Billing and coding resources
- Copay support for eligible commercially insured patients
- Financial assistance referrals for eligible patients*

Eligible commercially insured patients may pay **as little as \$0 for XIPERE†**

Visit xipere.copaysavingsprogram.com to learn more

*Terms and conditions apply and can be found on the FOA enrollment form. Please be sure to share eligibility criteria with your patients. Bausch + Lomb does not guarantee coverage or reimbursement for the product.

†Terms, limitations and conditions apply. Eligible commercially insured patients may pay as little as a \$0 copay. Please see xipere.copaysavingsprogram.com for eligibility criteria and terms and conditions.
